1. Introduction

Each year, Bridgwater Town Council allocates funds to support organisations, clubs, societies, and groups that help to build a sustainable community and economy for Bridgwater residents.

The Council recognises the significant contributions of local non-profit organisations, which provide essential services to the Bridgwater community. These organisations often address unmet needs and enhance the cultural, social, and environmental fabric of the area. This community grant scheme has been established to recognise and support these organisations and enable them to continue delivering their valuable services. In awarding grants, the Town Council ensures that public funds are managed responsibly.

There are three types of Community Grants awarded by the Bridgwater Town Council:

1. **Venue Grants** – the Council gives grants to specific community venues of up to £20,000.
2. **Project Grants** – one-off grants of up to £2,500 available for community groups to support specific projects.
3. **Youth Led Grants:** one-off grants of up to £500 available for initiatives led by young people to benefit young people.

Venue Grants are awarded selectively to organisations permanently based in Bridgwater. The Bridgwater Town Council offers financial assistance to established charities and non-profit Community Interest Companies (CICs) located within the town to support their operational costs.

To qualify, organisations must demonstrate how they address local needs and provide valuable, non-statutory services and activities that would otherwise be unavailable. Recipients of Venue Grants will enter into a Service Level Agreement (SLA), which outlines their commitment to a co-operative relationship with the Council. The SLA will be valid for three years; however, applicants will be required to reapply annually to maintain their funding.

For more information on Venue Grants or to submit an Expression of Interest, please contact Fundraising Officer, Helen Astill at helen.astill@bridgwater-tc.gov.uk.

1.1. Sponsorship

In special circumstances, the Town Council can choose to sponsor individuals or support events that fall outside of the usual grant criteria. The objective of this sponsorship is to contribute to the benefit of the community and residents of Bridgwater and the surrounding area by supporting free-entry events. Additionally, the Town Council champions local talent and welcomes applications for sponsorship from individuals (aged 11 – 24), such as talented young athletes, who can demonstrate exceptional achievement in their sport.

Furthermore, the council actively supports local groups and associations through their sponsorship fund.

2. How to apply

All grant or sponsorship applications must be made **online** using the appropriate form (found here). If it is not possible for applicants to complete the online form a printable version is available (here). Printed forms must be submitted by post to the Fundraising Officer with the requisite supporting documents. Incomplete applications will be returned for completion. Please bear in mind that applications will be reviewed shortly before issuing the meeting agenda, so any delay caused by incomplete forms may mean that the application will not be considered until the following meeting.

Grant and sponsorship applications are reviewed twice a year at the Grants sub-Committee meeting (dates in table below). Applicants must be available to attend and present, or answer questions about their grant application during the scheduled Grants sub-Committee meeting.

Project Grants have a budget of £16,000 per year, £8,000 each round. The application window for Youth Led Grants, Venue Grants and Sponsorship will close once their yearly budget has been awarded.

If you prefer to answer any of the grant application questions with a short video instead of a written response, or if you wish to include images or a film to support any of your answers, please send them (labelled and with their corresponding question number) to the Fundraising Officer – Helen Astill, helen.astill@bridgwater-tc.gov.uk.
