

Devon and Somerset Fire and Rescue Service

Virtual Events

The draft Community Risk Management Plan is available for comment.

If you have any questions about the draft Community Risk Management Plan or consultation please join one of our events to have your questions answered. Each session will have a presentation from either the Deputy Chief or Chief Fire Officer, followed by the opportunity to put any questions about the draft plan or consultation to some of the Service's senior leaders.

The first event took place last week, with another scheduled for **Thursday, 9 December, at 6 - 7.30 pm** and a third event on **Friday 7 January at 1 - 2.30 pm**. Details [about the consultation](#) and how to [register for an event](#) can be found on our website. Please register in advance so that we have an idea of numbers.

You can still ask questions either through this email address (crmp@dsfire.gov.uk) or by calling 01392 261287. We hope to see you (virtually) at one of these events.
