

I'm the Project Manager to the Cokerhurst Farm Development in Bridgwater on behalf of Martin Grant Homes.

As you may know, the works to the development have started on site. We have noted that the 'Welcome to Bridgwater' sign is to be relocated further up the road (West). I wanted to consult the Bridgwater Town Council on whether they wished to replace the sign, as it is older now? If not, we will simply reset the existing sign on new posts in the agreed place.
